A Special Exhibition: “The Art of Disney - The Magic of Animation”
April 8 (Sat), 2017 - September 24 (Sun), 2017

A new special exhibition entitled “The Art of Disney - The Magic of Animation” will be opened in National Museum of Emerging Science and Innovation (“Miraikan”. Chief Executive Director: Mamoru Mohri) from April 8 (Sat), 2017 to September 24 (Sun), 2017. We are pleased to announce the details of this exhibition.

Through nearly 450 artworks of original art, sketches and concept art starting from the legendary Steamboat Willie and Snow White and the Seven Dwarfs to Frozen and the latest Moana, this show will focus on the moment when life is given to the characters. It will aim to discover “The Magic of Animation” that was created through Walt Disney and his animators’ imagination, innovation and the technology.
